Declaration of Conformity with REACH

We hereby declare that the products manufactured by our company for the construction and gardening industries, i.e. road and lawn eco-grids, garden edging, as well as fastening systems for nonwovens and textiles in the form of anchors and pins, comply with the European REACH Regulation No. 1907/2006 and do not contain any substances listed on the SVHC (Substances of Very High Concern) Candidate List published on the ECHA website: <http://echa.europa.eu/pl/candidate-list-table>.

At the same time, we inform you that all our raw material and material suppliers operate in accordance with the standards based on the European Community Regulation No. 1907/2006 (REACH).

Z wyrazami szacunku

Prezes Zarządu
Grzegorz Waligóra
